

Small Business Administration (SBA) 504 Program Business Finance: Your Lending Partner

SBA 504 FACT SHEET For Small Businesses

Benefits to Using the SBA 504 Loan Program:

- Long-term – 20 or 25-year term for real estate projects; 10-year term for equipment
- Fixed-rate – SBA 504 rate fixed for the life of the loan
- Less Down – Lower cash injection required versus conventional financing
- Lower Risk – Makes your financing need more attractive to lenders
- Fixed Rate Portion – Lowers interest rate risks
- Hedge Rates – Small business protected from rising rates
- Capital Markets – Small business gets access to capital markets without high cost

Typical SBA 504 project loan structure: (\$1,000,000 project example)

To find out more about the SBA 504 program and how partnering with SEDA-COG can benefit your small business give us a call. We would be happy to discuss the program in general or talk about a specific project you feel might be a fit for the 504 program.
